

Town of Newburgh
Heavy Trash Pickup Day
Tuesday, June 28, 2016

Heavy trash should be placed wherever your trash is normally collected from the home. All heavy trash items must be set out on the scheduled collection day but no earlier than 24 hours before scheduled pick up. Items left out longer can be unsafe for the general public and especially children.

**Please see reverse side for
Heavy Waste Removal Guidelines**

Any questions about Heavy Trash Pickup please contact Town Hall at 508-583-1720

Heavy Waste Removal Guidelines

Rules for Bulk Item Pickup

- Place items out no earlier than 24 hours before scheduled pick up. (Items left out longer can be unsafe for the general public and especially children)
- Please keep bulk items at least 3 feet from your regular trash and recycling containers.
- Items collected are limited to households and businesses that fall under the Town of Newburgh waste and recycling contract.

Types of Items Collected

- **Indoor/Outdoor Furniture** (Sofas, table, chairs, mattresses, box springs, etc)
- **Appliances** (Stoves, washers, dryers, water heaters, etc.) Refrigerators and Freezers will be picked up separately and only if the refrigerants have been removed and tagged by a professional.
- **Building Material/ Construction Debris** (All building material and construction debris must be in a container and weigh no more than 75 lbs. Containers must be strong enough to hold the contents without breaking apart, even if wet.)
- **Carpeting** (Carpet must be rolled and bundled and cut into 4 ft. lengths)

Items NOT Collected

- Tires
- Concrete/bricks
- Dirt
